Dear Mr. Echols:

Enclosed with this letter is one copy of a 15-minute color movie of the ceremony at which Dr. Sherman Kent of the Central Intelligence Agency was honored with the President's Award for Distinguished Federal Civilian Service.

In accord with Chairman Macy's letter of July 21, 1967 to Director Helms, the cost of the filming and editing is being shared by the agencies involved. As soon as we receive the final statement of the costs, we will communicate further on the share to be paid by the Central Intelligence Agency.

If you wish to have additional copies of the film, they may be purchased direct from Byron Motion Pictures, Inc., 1226 Wisconsin Avenue, Northwest, Washington, D.C., at a cost of approximately \$50.

We hope the film will provide added satisfaction Dr. Kent, and also be a source of pleasure and pride to others in the Central Intelligence Agency.

Sincerely yours,
